# AQUA-STEP SPC PRODUCTS

The many advantages of Aqua-Step SPC products for your wall or floor:

- ✓ Waterproof and highly durable
- ✓ Dimensionally stable, impact and scratch resistant
- ✓ Low thickness: ideal for renovations
- ✓ Quick and clean installation: cut with a Stanley knife and break like plasterboard
- ✓ Easy, quick and blind installation with the revolutionary Click 'N Screw mounting system;  
can also be glued, often on top of the existing wall or floor.
- ✓ Circular and 100% recyclable
